Nicole Lemon

Painting has been a way for me to slow down and appreciate the beauty in the world around me. I create original artwork inspired by my life, my family, my city nature, animals, florals, and even the changing seasons.

Each greeting card and paint kit begin as my original work. My goal is to create artwork that feels thoughtful, timeless, and personal—something that's just as meaningful to display as it is to give.

Thank you for supporting my small business and my passion for creating art.
